On November 13, 2023, ALLO Asset Entity 1, LLC ("ALLO" or the "Company") filed an Application for a Certificate of Convenience and Necessity to Provide Competitive Facilities-Based and Resold Local and Long Distance Telecommunications Services and Access Services in the State of Arizona ("Application"). Due to an oversight, the Application did not indicate on page one that the Company is also seeking authority to provide wholesale services to other telecommunications carriers, although the Company included an access services tariff. To address this oversight, ALLO submits the attached revised page 1.

RESPECTFULLY submitted this 5th day of March, 2024.
